

Printing Parish Website Calendar Pages

The St. Joseph Parish Calendar maintained on www.ParishCalendar.com can be printed without showing some of the details seen when viewing the calendar online.

1. Open the parish calendar <http://www.sjchb.org/parish-calendar.html> and adjust the visible page width so you'll see the entire month.

Different browsers have different methods of displaying and printing the calendar but with some experimentation, you should be able to obtain a satisfactory printout of your calendar by adjusting the browser Print Setting using its Print Preview feature.

5. To print that calendar page:
 - a. Adjust the browser print settings to ensure that one month prints on one page and it appears the way you want it. (Using Mozilla Firefox browser as an example.)
 - b. Select: "Landscape" orientation, Scale to 50% to 70%

- c. Save the settings and print the page.
